From: Warren Hutmacher, City Manager

Date: December 5, 2008

Subject: FY 2009 Budget Update

Staff has been working for a number of weeks to provide you with a FY 2009 Budget. The budget is a work in progress and a final budget recommendation with an appropriate level of detail is still forthcoming. However, I am providing you today with a budget summary document (attached) that will provide you with an effective overview of our financial position for FY 2009.

Thanks for your patience as we work diligently to present you with a full budget document with detailed backup information.
