# MEMORANDUM

**To:** Honorable Mayor and City Council  
**From:** Billy Grogan, Chief of Police  
**Date:** December 21, 2009  
**Subject:** **Peachtree Industrial Boulevard NW Access Road**

---

In coordination with the Georgia Department of Transportation, the Dunwoody Police Department has been made aware the NW Access Road for Peachtree Industrial Boulevard does not bear an official name. This presents a public safety challenge for our Police Department when responding to incidents and accidents.

The procedure for establishing street names is described in Chapter 23 Streets and Sidewalks. Requests initiated by any department or agency of the City shall be submitted to the Community Development Department. As part of the application, all owners of record will be notified by regular mail and legal ads will run in the legal organ at least ten days prior to the first Public Hearing. The application will then be heard at Public Hearings before the Planning Commission and then the City Council. The final decision on the proposed change shall be made by the City Council.

**Staff recommends initiating a street name change for the presently unnamed Peachtree Industrial Boulevard NW Access Road.** This will ameliorate potential confusion and improve clarity from a public safety standpoint.
