

**A RESOLUTION SUPPORTING A COMMUNITY GARDEN IN BROOK RUN PARK
IN THE CITY OF DUNWOODY**

WHEREAS, community gardens are an important strategy for city residents to improve nutrition and gain control over the quality and variety of their food supply, while lowering their cost of living; and

WHEREAS, community gardening fosters a better sense of community and a more livable environment that decreases noise, temperature, and pollution while creating a community image that is regarded as positive by both residents and outsiders alike; and

WHEREAS, community gardening provides an important source for fresh produce that is locally grown; and

WHEREAS, the DeKalb County Parks Department and the Brook Run Conservancy have expressed their support of a community garden at Brook Run Park in the City of Dunwoody; and

NOW THEREFORE BE IT RESOLVED, by the Mayor and City Council of the City of Dunwoody, that the City of Dunwoody supports the establishment of a community garden in Brook Run Park and encourage DeKalb County to set aside an area in Brook Run Park to be used as a community garden.

SO RESOLVED AND EFFECTIVE this 13th day of July, 2009.
