MEMORANDUM

To: Mayor and City Council

From: Jennifer Peterson, Community Development Director

Date: July 20, 2009

Subject: **ADA Discussion**

The City of Dunwoody is subject to the regulatory requirements of the Americans with Disabilities Act.

The City Manager has named the Community Development Director as the ADA coordinator. The primary focus of the coordinator is to be the point of contact for public/citizen issues related to ADA compliance, such as access to government facilities and hiring procedures.

The City is also required to create and maintain an inventory of all cities facilities and a plan for modifications to those facilities in order to be compliant. Since the City does not own any buildings, the focus of this inventory will be roadways and sidewalks. The Public Works Director has an outline of issues within our roadways and sidewalks. He is working to verify this list, add any additional items, and create a plan for compliance upgrades and budgeting allows.
