# **MEMORANDUM**

**To:** Honorable Mayor and City Council

**From:** Warren Hutmacher, City Manager

**Date:** July 20, 2009

**Subject:** Elimination of a Voting Meeting

---

During the January Mayor and Council retreat, the issue of eliminating one of the two voting meetings held by Council each month was discussed. At that time, the direction of the City Council was to keep the two voting meetings and the work session intact each month. This issue was to be brought up again for discussion once the city was further along in its development.

Several members of the City Council have expressed an interest in eliminating one of the voting meetings at this time. An item has been placed on the agenda for your work session to discuss the possible elimination of one of the voting meetings each month, leaving one work session and one voting session.
