### **MEMORANDUM**

**To:** Mayor and City Council  
**From:** Chris Pike, Finance Director  
**Date:** April 26, 2010  
**Subject:** **Second Read of an Ordinance for a 2010 Budget Amendment**

---

#### **ITEM DESCRIPTION**

Amendment of the 2010 Operating Budget to account for certain unbudgeted professional services expenditures.

#### **BACKGROUND**

The City of Dunwoody is currently engaged in the development of a comprehensive land use plan and an aggressive unified branding campaign. A comprehensive economic development strategy should ensure that our plans for the future are realized. A comprehensive economic development strategy will help the City understand key economic development trends and challenges it faces; lend insight to our local economy as it relates to our plans for the future; and make recommendations for what types of actions the City should focus on for business and job creation, business retention, and enhancing the City's economic base. Branding, land use planning, and economic development truly establish a three-legged stool that will lead to ultimate success for the City of Dunwoody.

Staff has identified an adequate funding source as it is now expected the 911 feasibility study will be less than the budgeted amount and sufficient to cover the economic development services.

#### **ALTERNATIVES**

As this is an unbudgeted expense currently, Council could choose to deny the amendment or to defer the expenditure until the funds can be allocated in a future budget year or future budget amendment.

#### **RECOMMENDED ACTION**

It is respectfully requested that Council approve to accept Staff's recommendation of amending the 2010 budget to allocate \$15,000 from Police funds related to the 911 feasibility study for the anticipated economic development professional services.

**WHEREAS,** a proposed amended budget for each of the various funds of the City has been presented to the Mayor and City Council; and

**WHEREAS,** the Mayor and City Council have reviewed the proposed amendment; and
