## MEMORANDUM

To: $\quad$ Mayor and City Council<br>From: $\quad$ Chris Pike, Finance Director<br>Date: $\quad$ May 10, 2010<br>Subject: $\quad$ Financial Report for the Quarter Ended March 31, 2010

Following are the financial highlights for fiscal year 2010 through March 31, 2010.
This fiscal year has started out quietly as expected. However, there have been several notable highlights to this year, financially speaking. First, property tax collections for the 2009 continue to come in at a decelerating pace. Overall though, we have now collected over $98 \%$ of the 2009 budget for property tax, stormwater and special assessments. This is not reflected on the income statement because those revenues were recorded in 2009 and reflect a 2010 decrease in the receivable balance instead of revenue. The exceptions are where collections exceeded our 2009 estimated receivable and interest charges on the late payments. For 2010, we are taking a more conservative approach until the digest is released. Real property tax budgeted was reduced by half a million dollars.

Second, other tax receipts are showing better than expected results. Two that stand out are franchise fees and occupation taxes. For franchise fees, we received an unexpected check from Georgia Power. For occupation taxes, collections through March exceed the budget by more than $\$ 200,000$. During our 2010 budget adoption process, we took a conservative approach and estimated sales for the businesses would be down $5 \%$ over the previous year. This would have meant that we would have applied a $5 \%$ credit to the 2010 bill as well as taxing for 2010 at a $5 \%$ reduction for a total of $10 \%$. What actually happened was that sales were up $5 \%$ from what was reported last year. This means that instead of a reduction of $\$ 200,000$, we are seeing the exact opposite. It also means that end of year numbers will be closer to $\$ 2.3$ million instead of the budgeted $\$ 2.0$ million. On a related note, state law (OCGA 48-13-28) requires we address this surplus to determine how the money will be spent. It is silent on the timing though and typically this address is handled through the budget and budget amendment processes. I will be sure to bring this back up at an appropriate time.

Third, both hotel taxes and fines have exceeded the budget. Fines are averaging around $\$ 115,000$ per month, exceeding the already increased budget. Taxes collected from our hotel visitors are 10\% over budget with March collections being the highest since our incorporation.

Fourth and lastly, licenses and permits doubled year-to-date budgeted amounts due mainly to the AJC's renovations to their new home in Dunwoody. Overall, actual revenues collected so far in 2010 are $\$ 2.4$ million, exceeding the $\$ 1.8$ million budgeted.

Regarding expenses, all departments are under their year-to-date budgeted amounts. Some individual lines are showing negative variances, but this is normal. In a few of those cases, it represents the need to address during the future amendment. For example, we received sponsorship revenue for the State of the City address, but those revenues and the related expenses were not budgeted. Accordingly, the revenues for Other Charges for Services is nearly nine times the annual budget while Marketing's (F\&A) food budget has been exceeded nearly eight fold. Again, this will be addressed at a later amendment. Other variances are merely timing issues. For example, Property and Liability Insurance was budgeted in March, but actually paid in April when the bill was received. This will correct itself.

Of course, despite this positive report, we should remain optimistically cautious until the 2010 digest is released.

FORMAL SOLICITATION REPORT

| Solicitation Name | Release Date | Award Date | User Department | Term/Value | SCOPE/SERVICE and REASON |
| :---: | :---: | :---: | :---: | :---: | :---: |
| On The Street |  |  |  |  |  |
| RFP 10-04 Insurance Services | 8-Apr | May | Finance and Admin | Multi-year | To assist with property/casualty insurance and employee benefits plus other insurance services. |
| RFP 10-03A <br> Comprehensive <br> Transportation Plan | 8-Apr | May | Public Works | One time | Develop a comprehensive traffic plan for the City. Re-solicitation due to getting only one proposal the first time. |
| Preparing For Release |  |  |  |  |  |
