Subject: **Resolution amending the schedule of fees for alcohol licensing in the City of Dunwoody**

ITEM DESCRIPTION

Resolution amending the schedule of fees for alcohol licensing in the City of Dunwoody

BACKGROUND

During 2009, Council approved the existing schedule of fees for alcohol licensing. Such schedule did not include a provision for packaged Sunday sales. The resolution did state in Section 3, "The City Manager or his designee is granted authority to administratively set fees for like services that may not be included in Schedule "A" for which a need may arise, provided however those fees shall be presented to the Mayor and Council for ratification at the next Council Meeting."

Within the 2009 resolution, the Sunday Sales Permit was set at \$1,100 for "Consumption on premises only." This resolution merely extends that same license option for package sales.

RECOMMENDED ACTION

It is respectfully requested Council amend the license fee schedule to extend to package sales of alcohol on Sunday.
