
MEMORANDUM

To: Mayor and City Council

From: Chris Pike, Finance Director

Date: 10/29/2012

Subject: **Discussion of Agreement with ConnectSouth for Georgia Legislative Support**

ITEM DESCRIPTION

To discuss and approve an agreement with ConnectSouth in the amount of \$57,000 for 2013 state legislative support.

BACKGROUND

Since the City's inception, the City has realized considerable value for the support and services provided by our lobbyist group. ConnectSouth has helped communicate the City's message to various state representatives and worked diligently to ensure our needs are heard at the state capitol. As with many professional services contracts, the value grows as the relationship grows. While other firms may be able to provide lobbyist services to the City, it's ConnectSouth's unique understanding of the City's needs that make it best suited to provide continued support.

ALTERNATIVES

Council could decide to not renew a contract for lobbying services. Staff does not consider this the best option given the past value realized through the services that have far outweighed the cost. Council could also decide to competitive bid out the services through a RFP. It is staff's opinion that because of this unique relationship and because of this contract's relatively small value, the City's best interests are maintained by continuing our contract with ConnectSouth. Despite other firms providing similar type of services, staff recommends a Single Source agreement over a competitive procurement process such as a RFP. Costs of the contract could actually increase through a competitive RFP.

RECOMMENDED ACTION

It is respectfully requested Council approve the Single Source agreement with ConnectSouth to provide state legislative support for the 2013 year and authorize the mayor to execute the documents following satisfactory review of the contract by counsel.
