Subject: dog park meeting?

John,

We could use more detail about the Dec. 2nd meeting (like *where* and what *time*). In addition, we'd like to know who will be attending.

We'd like to have a representative from FOBR and LOHOA present. However, we're not sure if we're having a meeting to review and discuss our proposed action plan or if we're simply turning in documentation to be reviewed -- and then we'll find out what happens when the council meets on Dec. 9th and, presumably, votes on the fate of the current dog park.

I'm not sure if you're home from Israel yet, and I know you're busy no matter where you are, but we would appreciate more information about this upcoming meeting.

Thanks,
Laine
