
MEMORANDUM

Subject: **Resolution to Join GIRMA Membership for Workers' Compensation**

ITEM DESCRIPTION

Resolution to Join GIRMA Membership for Workers' Compensation

BACKGROUND

During 2011, the City of Dunwoody completed an exhaustive search to identify sources for the City's workers' compensation coverage. Because of our disproportional number of public safety employees, the City was able to identify just one carrier. The City's carrier during 2012 notified the City they were getting out of the public sector market. The remaining insurer was the Georgia Intergovernmental Risk Management Association (GIRMA) that was formed specifically for local governments. Though it represents an increase over our 2012 rates, it is the best and only option the City has for coverage. Council joining GIRMA requires a resolution.

RECOMMENDED ACTION

It is respectfully requested Council adopt this resolution as required by and to join GIRMA for Workers' Compensation
