**Date:** September 09, 2013

**Subject:** **Discussion of 2013 Neighborhood Paving Contract**

**ITEM DESCRIPTION**

Discussion of 2013 Neighborhood Paving Contract

**BACKGROUND**

Public Works has completed the paving originally planned for this year. In anticipation of potential surplus funds available for paving, a second bid was advertised in August to allow for additional paving before winter. The second bid consists of patching and repaving of the following streets:

<b>Street</b>	<b>From</b>	<b>To</b>
<b>Fontainebleau Drive</b>	Happy Hollow Road	East End
<b>Fontainebleau Way</b>	Fontainebleau Drive	Fontainebleau Drive
<b>Grenoble Court</b>	Fontainebleau Drive	End
<b>Chalet Court</b>	Fontainebleau Drive	End
<b>Fleur De Lis Way</b>	Fontainebleau Drive	Fleur De Lis Court
<b>Dunover Circle</b>	Tilly Mill Road	Sharon Valley Court
<b>Sharon Valley Court</b>	End	End
<b>Flintshire Court</b>	Sharon Valley Court	End

All of these streets are neighborhood streets listed in years 2105 and 2016 of the most recent 5-year paving plan. Due to the approach of colder weather, staff limited the list of streets to neighborhood streets that can be paved in 3 to 4 weeks. The streets above were given priority over other neighborhood streets listed for 2014 and 2015 based on several considerations:

1. Streets that have water lines that need to be replaced by DeKalb County were excluded from this bid.
2. Streets adjacent to arterial and collector roads scheduled for paving in 2014 and 2015 were excluded from this bid.
3. Streets that are candidates for full depth reclamation were excluded from this bid.

**DISCUSSION**

The 2013 paving bid opening is scheduled for September 9<sup>th</sup>. Staff will provide a summary of the bid results at the Council meeting.
