MEMORANDUM

To: Honorable Mayor and City Council

From: Billy Grogan, Acting City Manager

Date: November 10, 2014

Subject: Service Delivery Strategy Update approval

ITEM DESCRIPTION

This item is approval for an updated Service Delivery Strategy with DeKalb County and other municipalities.

BACKGROUND

HB 489, passed in 1998 by the Georgia General Assembly requires county and city governments to create a Service Delivery Strategy (SDS) for the purpose of avoiding duplication of services and double taxation. The last SDS agreement was approved December 14, 2010.

The City of Dunwoody received notice from the Georgia Department of Community Affairs that the DeKalb County SDS must be updated by December 17, 2014 due to the creation of the City of Brookhaven. A thorough review and update to the DeKalb County SDS will occur in the future.

The City of Dunwoody's charter explicitly requires the County to charge city residents \$0 for special tax districts created for the purposes of providing County police, roads and parks services to the incorporated areas of the County. Combined with existing intergovernmental agreements the City has executed since incorporation, there exists no issues outstanding that would prevent the City from entering into an updated SDS agreement with the County and other cities in DeKalb County.

Failure to approve this resolution will result in the City, the County and the other municipalities in DeKalb County losing our Qualified Local Government status with the State of Georgia. Failure to maintain this status will preclude the City from receiving state permits or competing for state grant awards.

RECOMMENDED ACTION

At this time, staff recommends the City Council approve this updated SDS and authorize the Mayor to sign all appropriate documents.

4. Our service delivery strategy ensures that the cost of any services the county government provides (including those jointly funded by the county and one or more municipalities) primarily for the benefit of the unincorporated area of the county are borne by the unincorporated area residents, individuals, and property owners who receive such service (O.C.G.A. 36-70-24 (3)).
