MEMORANDUM

To: Mayor and City Council
From: Brent Walker, Parks and Recreation Manager
Date: May 26, 2015
Subject: **Contract Approval for Shade Structures at Georgetown Park Playground**

ITEM DESCRIPTION

Contract approval for the installation of shade structures at Georgetown Park Playground

BACKGROUND

The City solicited quotes from qualified vendors for the design and installation of shade structures over the playground at Georgetown Park. Three vendors were asked to provide options and the cost for the installation. After review of the options provided and the associated cost, staff felt that Southcover provided the most desirable option and price.

Their submittal is for sail shades that will provide ample shade to the playground equipment at a cost of \$58,740. An example is attached to this memo along with the options and quotes submitted by each vendor

FUNDING

The 2015 Capital Budget includes \$75,000 for this project.

RECOMMENDATION

Staff respectfully requests that Council: (1) approve a contract for the installation of shade structures at Georgetown Park Playground to Southcover with a 10% contingency for a total not to exceed \$65,000. Funding for the project will be within the Capital Fund amount. (2) authorize staff to provide funding for the contracts; and (3) authorize the City Manager to execute the necessary documents following satisfactory review by legal counsel.
