

MEMORANDUM

To: Mayor and City Council

From: Amy King, Accounting Manager

Date: June 19, 2017

Subject: **Resolution Updating the Alcohol License Fee Schedule**

ITEM DESCRIPTION

Approval of a resolution to update the alcohol license fee schedule to include a new fee for BYOB (bring your own beverage) licenses.

BACKGROUND

Council approved an update to the alcohol ordinance earlier this year that included a new license for BYOB businesses that meet certain conditions. Staff reviewed our current fee schedule and the work required for the issuance of such a license. In that review, the current fees for annual wine tasting best correlates to the work involved. As there is not sale of the alcohol, the higher fee for package sales and/or consumption did not seem appropriate. Council may set the rate to be any amount (within reason, of course). However, the \$300 for either beer or wine was considered the best amount to staff. This would be in addition to the pouring permit and any administrative fees; similar to other alcohol licenses issued.

RECOMMENDED ACTION

It is respectfully requested Council approve the resolution updating the alcohol license fee schedule and establishing the license fee for BYOB licenses.
