MEMORANDUM

To: Mayor and City Council
From: Billy Grogan, Chief of Police
Date: February 24, 2020

Subject: Approval of Contract With RedSpeed for the Installation and Implementation of School Zone Speed Detection Cameras

DESCRIPTION

During the 2017-2018 legislative session, The Georgia General Assembly passed HB 978, which has been signed into law, allowing the use of photo/video enforcement in school zones under State Statutes 40-6-163 and 40-14-18. The law also set requirements for local legislation, school board endorsement, state permitting, execution, and the implementation of camera enforcement.

BACKGROUND

The Dunwoody Police Department receives consistent and pervasive complaints about speeding in school zones. As much as possible, speed enforcement is conducted in various school zones daily using our Crime Response Team as well as Officers from Uniform Patrol. These enforcement efforts are manpower and resource-intensive. Technology provides an effective and efficient alternative.

The Dunwoody Police Department would like to address the constant school zone speeding problem in three school zones by using technology with the objectives of increasing student safety, changing driver behavior, and reducing speeding complaints.

Earlier this year, we conducted a one day speed study in three designated school zones. There were 2,319 cars captured traveling at least 10mph over the speed limit. Below is a breakdown of the results from each school zone.

Roberts Drive	613 violations
Womack Road	639 violations
N. Peachtree Road	1,067 violations

Based on the number of speeding violations noted in one day, speeding in these school zones is a big problem and a huge safety concern for students, teachers, and parents. An Automated Speed Enforcement Camera program will provide a consistent and constant enforcement presence in these school zones, which should dramatically reduce the speed of vehicles and improve the safety of all students.

After reviewing all options, staff believes the most prudent course of action is to select a speed enforcement vendor by piggybacking on the RFP process of another city.

On page 27 of the City of Dunwoody Purchasing Policy, Section F. Direct Negotiation and Other Public Entities and Co-ops, the City of Dunwoody authorizes the selection of a contract based on a competitive process conducted by another local government.

In August 2019, the City of Alpharetta selected RedSpeed after a competitive RFP process where three vendors responded to their RFP. RedSpeed scored 4.37 compared to scores of 3.44 and 3.24 from the other two vendors.

Also, the City of Smyrna selected RedSpeed in December 2019, after a competitive RFP process where four vendors responded to their REP. RedSpeed scored 90.67 compared to scores of 85, 76.67 and 70.33 from the other three vendors.

RedSpeed will incur all equipment installation, calibration, and maintenance costs. In addition, RedSpeed will incur all costs associated with the collection and distribution of fines. This program is 100% violator funded. Fines are fixed at \$75 for a first offense and \$125 for a second offense. A ticket does not result in any points or insurance ramifications for drivers. The City of Dunwoody will receive 65% of the revenue collected, while RedSpeed will receive 35% of the revenue collected. All funds received through automated speed enforcement by the City of Dunwoody can only be used to fund local law enforcement or public safety initiatives, which would be a possible source to fund the department's camera and License Plate Reader program.

Additionally, RedSpeed will provide License Plate Reader (LPR) cameras for each school zone, which will detect Sex Offenders and other violators near each school.

A permit for automated speed enforcement must be applied for through the Georgia Department of Transportation. This permit must be signed off on by the DeKalb County Board of Education. At this time, the DeKalb County School District has not designated their process for these requests or who they will give signature authority to for the permit requests.

Once a permit has been issued, warning signs will be installed on both ends of each school zone. Also, there will be a 30 day warning period. Lastly, we will conduct a vigorous public education and awareness campaign.

RECOMMENDATION

Staff recommends that the City Council approve the contract with RedSpeed. This approval is contingent upon securing the DeKalb County School District signature on the permit application and the Georgia Department of Transportation approval of the permit. Our City Attorney has reviewed the contract.

5. TERM AND TERMINATION:

This Agreement shall be effective on the Commencement Date. The term of this Agreement shall be for twelve (12) months beginning on the first day of the month following the first issued Notice of Violation (the “Start Date”) and shall be automatically extended for up to five (5) additional one (1) year periods. However, GOVERNING BODY may terminate this Agreement at the expiration of any term by providing written notice of its intent not to extend the Agreement sixty (60) days prior to the expiration of the current term.

REDSPEED’s services may be terminated:

- a. By mutual written consent of the parties.
- b. For cause, by either party where the other party fails in any material way to perform its obligations under this Agreement and the defaulting party fails to cure the default within thirty (30) days after receiving written notice. The terminating party must provide written notice to the other party of its intent to terminate and state with reasonable specificity the grounds for termination.

Upon termination of this Agreement, either for breach or because it has reached the end of its term or as a result of giving an early termination notice, the parties recognize that GOVERNING BODY will have to process traffic law violations that occur prior to the notice of termination of the Agreement and that REDSPEED must assist GOVERNING BODY in this regard. Accordingly, the parties shall take the following actions, and shall have the following obligations, which survive termination during the winddown period: GOVERNING BODY shall cease using the SPE System, shall return or allow REDSPEED to recover all provided equipment within a reasonable time not to exceed ninety (90) days, and shall not generate further images to be processed. Neither party may assign all or any portion of this Agreement without the prior written consent of the other, which consent shall not be unreasonably withheld or delayed. Provided, however, that GOVERNING BODY hereby acknowledges and agrees that delivery and performance of REDSPEED's rights pursuant to this Agreement shall require a significant investment by REDSPEED, and that in order to finance such investment, REDSPEED may be required to enter into certain agreements or arrangements including, but not limited to, acknowledgments and/or consents with equipment lessors, banks, financial institutions or other similar persons or entities. GOVERNING BODY hereby agrees that REDSPEED shall have the right to assign, pledge, hypothecate or otherwise transfer its rights to the equipment but not the service provided under this Agreement, to any of the aforesaid financial institutions without GOVERNING BODY's prior written approval. GOVERNING BODY further acknowledges and agrees that in the event that REDSPEED provides any such acknowledgment or consent to GOVERNING BODY for execution, and in the event that GOVERNING BODY fails to execute and deliver such acknowledgment or consent back to REDSPEED within ten (10) calendar days after its receipt of such request from REDSPEED to execute such acknowledgment or consent, GOVERNING BODY shall be deemed to have consented to and approved such acknowledgment or consent and REDSPEED is granted a limited power of attorney, coupled with an interest, to execute the acknowledgment and/or consent on behalf of GOVERNING BODY and deliver such document to its financial institution.

7. FEES AND PAYMENT:

GOVERNING BODY shall pay for all equipment, services and maintenance based on the fee schedule indicated in Exhibit B, Schedule 1 ("Fees").

REDSPEED reserves the right to charge GOVERNING BODY for sizable information requests that will incur substantial resource allocation to compile.

9. CONFIDENTIAL INFORMATION:

No information given by REDSPEED to GOVERNING BODY will be of a confidential nature, unless specifically designated in writing as proprietary and confidential by REDSPEED and either confidential pursuant to Georgia law or exempt from disclosure pursuant to Georgia law. Nothing in this paragraph shall be construed contrary to the terms and provisions of any Georgia law

governing public records or similar laws, insofar as they may be applicable. REDSPEED shall not use any information acquired by this program with respect to any violations or GOVERNING BODY's law enforcement activities for any purpose other than the program encompassed by this Agreement.

10. OWNERSHIP OF SYSTEM:

It is understood by GOVERNING BODY that the SPE System being installed by REDSPEED is, and shall remain, the sole property of REDSPEED, unless separately procured from REDSPEED through a lease or purchase transaction. The SPE Systems are provided to GOVERNING BODY only under the terms and for the term of this Agreement.

11. RECORDS AND AUDIT:

REDSPEED shall maintain during the term of the Agreement all books of account, reports and records in accordance with generally accepted accounting practices and standards for records directly related to this Agreement. REDSPEED agrees to make available to GOVERNING BODY's Internal Auditor, during normal business hours and in City of Dunwoody, Georgia all books of account, reports and records relating to this Agreement for the duration of the Agreement and retain them for a minimum period of two (2) years beyond the last day of the Agreement term or such other period required by the Georgia public records law and Georgia public records retention schedules, whichever is longer.

12. INDEMNIFICATION AND INSURANCE:

REDSPEED shall comply with all laws, ordinances and regulations governing the use of photo enforcement systems applicable to this Agreement and shall comply with the maintenance procedures and manufacturer recommendations for operation of SPE System equipment which affect this Agreement, and shall indemnify and save harmless the GOVERNING BODY against claims arising from the violations of the maintenance procedures and manufacturer recommendations for operation of the equipment as a result of the gross negligence, recklessness, or willful or intentional misconduct of REDSPEED, its officers and directors, agents, attorneys, and employees, but excluding any employees or agents of GOVERNING BODY.

REDSPEED agrees to protect, defend, indemnify, and hold harmless GOVERNING BODY and GOVERNING BODY's officers, employees, and agents from and against any and all losses, penalties, damages, settlements, fines, claims, costs, charges for other expenses, or liabilities of every and any kind including any award of attorney fees and any award of costs in connection with or arising from any gross negligence, intentional or reckless act or omission by REDSPEED or any of REDSPEED's officers, employees, agents, contractors, or subcontractors in performing the work agreed to or performed by REDSPEED under the terms of this Agreement. Without limiting the foregoing, any and all claims, suits or other actions relating to personal injury, death, damage to property, defects in materials or workmanship, violations of any decree of any court in connection with or arising from any gross negligence, intentional or reckless act or omission by REDSPEED shall be included in this indemnity.

REDSPEED shall maintain the following minimum scope and limits of insurance:

- a. Commercial General Liability Insurance including coverage for bodily injury, property damage, premises and operations, products/completed operations, personal and advertising injury, and contractual liability with a combined single limit of \$1,000,000 per occurrence. Such insurance shall name GOVERNING BODY as additional insured for liability arising from REDSPEED's operation.
- b. Workers' Compensation, as required by applicable state law, and Employers Liability Insurance with limits of not less than \$500,000 each accident. REDSPEED shall always maintain Workers' Compensation insurance coverage in the amounts required by law, but shall not be required to provide such coverage for any actual or statutory employee of GOVERNING BODY.
- c. Comprehensive Business Automobile Liability Insurance for all owned, non-owned and hired automobiles and other vehicles used by REDSPEED with a minimum \$1,000,000 per occurrence combined single limit bodily injury and property damage.

REDSPEED shall require any subcontractors doing work under this Agreement to provide and maintain the same insurance, which insurance shall also name GOVERNING BODY and GOVERNING BODY's officers, employees and elected officials as additional insureds.

Certificates showing REDSPEED is carrying the above described insurance, and evidencing the additional insured status specified above, shall be furnished to GOVERNING BODY within thirty (30) calendar days after the date on which this Agreement is made. Such certificates shall show that GOVERNING BODY shall be notified at least thirty (30) days in advance of all cancellations of such insurance policies. REDSPEED shall forthwith obtain substitute insurance in the event of a cancellation.

Inasmuch as GOVERNING BODY is a body politic and corporate, the laws from which GOVERNING BODY derives its powers, insofar as the same law regulates the objects for which, or manner in which, or the concerns under which, GOVERNING BODY may enter into this Agreement, shall be controlling and shall be incorporated by reference into this Agreement. GOVERNING BODY shall be responsible for vehicle insurance coverage on any vehicles driven by GOVERNING BODY employees. Coverage will include liability and collision damage.

REDSPEED will require all its subcontractors to provide the aforementioned coverage as well as any other coverage that REDSPEED may consider necessary, and any deficiency in the coverage or policy limits of said subcontractors shall be the sole responsibility of REDSPEED.

13. STATE LAW TO APPLY:

This Agreement shall be governed by and construed in accordance with the laws of the State of Georgia. The parties waive the privilege of venue and agree that all litigation between them in the state courts shall take place in Dekalb County, Georgia and that all litigation between them in the federal courts shall take place in the State of Georgia.

14. DISPUTE RESOLUTION:

All disputes arising out of or in connection with the Agreement shall be attempted to be settled through good-faith efforts between senior management of both Parties. Following thirty (30) days

of unsuccessful negotiation, a dispute may be submitted to professionally-assisted mediation. Before a demand for mediation may be filed by either Party, the management of both Parties shall have met at least two times in face-to-face meetings in an effort to resolve any dispute or controversy through normal business management practices. Any mediator so designated must be acceptable to each Party. The mediation will be conducted as specified by the mediator and agreed upon by the Parties. The Parties agree to discuss their differences in good faith and to attempt, with the assistance of the mediator, to reach an amicable resolution of the dispute. The mediation will be treated as a settlement discussion and therefore will be confidential. The mediator may not testify for either Party in any later proceeding relating to the dispute. Each Party will bear its own costs in the mediation. The fees and expenses of the mediator will be shared equally by the Parties.

Following mediation, the parties may pursue any rights they may have under the law.

15. AMENDMENTS TO THE AGREEMENT:

GOVERNING BODY may from time to time consider it in its best interest to change, modify or extend term, conditions or covenants of this Agreement or require changes in the scope of the Services to be performed by REDSPEED, or request REDSPEED to perform additional services regardless of and without invalidating the process that was used to procure the services enumerated under this Agreement. Any such change, addition, deletion, extension or modification, including any increase or decrease in the amount of REDSPEED's compensation, which are mutually agreed upon by and between GOVERNING BODY and REDSPEED, shall be incorporated in written amendments (herein called "Amendments") to this Agreement that are duly executed by both parties. Such Amendments shall not invalidate the procurement process or this Agreement nor relieve or release REDSPEED or GOVERNING BODY of any of its obligations under this Agreement unless stated therein.

16. EFFECT OF AMENDMENT(S) ON AGREEMENT:

Except as expressly amended or modified by the terms of an Amendment, all terms of the Agreement shall remain in full force and effect. Unless a different meaning is specified in an Amendment, all capitalized terms used herein shall have the meaning described in the Agreement. In the event of a conflict between the terms of the Amendment and this Agreement, the Amendment shall prevail and control.

17. LEGAL CONSTRUCTION AND REQUIREMENTS:

In case any one or more of the provisions contained in this Agreement shall for any reason, by a court of competent jurisdiction, be held to be invalid, illegal, or unenforceable in any respect, such invalidity, illegality, or unenforceability shall not affect any other provision thereof and this Agreement shall be construed as if such invalid, illegal, or unenforceable provision had not been contained herein.

18. NO AGENCY:

Except as specifically provided otherwise herein, REDSPEED is an independent contractor under this Agreement and acts an agent of GOVERNING BODY. Personal services shall be provided by

employees of REDSPEED who shall be subject to supervision by REDSPEED, and not as officers, employees or agents of the GOVERNING BODY. Personnel policies, tax responsibilities, social security, health insurance, employee benefits, purchasing policies and other similar administrative procedures applicable to services rendered under this Agreement shall be those of REDSPEED.

19. FORCE MAJEURE:

GOVERNING BODY and REDSPEED will be excused from the performance of their respective obligations under this Agreement when and to the extent that their performance is delayed or prevented by any circumstances beyond their control including, fire, flood, explosion, strikes or other labor disputes, act of God or public emergency, war, rioting, malicious damage, act or omission of any governmental authority, delay or failure or shortage of any type of transportation, equipment, or service from a public utility needed for their performance provided that:

the non-performing party gives the other party prompt written notice describing the particulars of the Force Majeure including, but not limited to, the nature of the occurrence and its expected duration, and continues to furnish timely reports with respect thereto during the period of the Force Majeure;

the excuse of performance is of no greater scope and no longer duration than is required by the Force Majeure;

no obligations of either party that arose before the Force Majeure causing the excuse of performance are excused as a result of the Force Majeure; and,

the non-performing party uses its best efforts to remedy its inability to perform.

Notwithstanding the above, performance shall not be excused under this Section for a period in excess of two (2) months, provided that in extenuating circumstances, GOVERNING BODY may excuse performance for a longer term. Economic hardship of REDSPEED will not constitute Force Majeure. The term of the Agreement shall be extended by a period equal to that during which either party's performance is suspended under this Section.

20. PERMITS, FEES, AND LICENSES:

REDSPEED shall, at its own expense, obtain all necessary permits and pay all licenses and fees required to comply with all local ordinances, state and federal laws, rules and regulations applicable to business to be carried out under this Agreement.

REDSPEED shall ensure that all of REDSPEED's subcontractors perform in accordance with the terms and conditions of this Agreement. REDSPEED shall be fully responsible for all of REDSPEED's subcontractors' performance, and liable for any of REDSPEED's subcontractors' non-performance and all of REDSPEED's subcontractors' negligent, intentional or reckless acts and omissions. REDSPEED shall defend, counsel being subject to GOVERNING BODY's approval or disapproval, and indemnify and hold harmless GOVERNING BODY and GOVERNING BODY's officers, employees, and agents from and against any claim, lawsuit, third party action, settlement, or judgment, including any award of attorney fees and any award of costs, by or in favor of any of REDSPEED's subcontractors for payment for work performed for GOVERNING BODY by any of such subcontractors, and from and against any claim, lawsuit, third party action, settlement, or judgment, including any award of attorney fees and any award of costs, occasioned by or arising out of any negligent, intentional or reckless act or omission by any of REDSPEED's subcontractors.
