MEMORANDUM

To: Mayor and City Council

From: Linda Nabers, Finance Director

Date: April 26, 2021

Subject: For consideration and acceptance of a one-time financial donation to the City of Dunwoody as outlined below.

BACKGROUND

Dunwoody Senior Baseball would like to donate the funds to the City to install windscreens on both fields (Crawford and Sadler) at Brook Run Park.

Brent Walker believes the screens would greatly increase the beauty of the fields and improve the quality of play as well as providing an opportunity to recognize sponsors of the program. The design renderings are included as an attachment.

Parks Staff solicited bids from 3 vendors and received the quotes listed below:

- Windscreen Factory \$10,165.00
- Better Baseball \$12,531.25
- Tommy Barber Sports \$10,240.00

Parks staff believes that Tommy Barber Sports is the best solution. Their bid is attached. The vendor is within \$100 of the lowest price, has been more responsive to deal with, and has a long list of sites where their product is installed including St Pius X, Marist, Lovett, Woodward, Blessed Trinity, Holy Innocents', Westminster, Woodward, NYO, Walton, Wheeler, Pope, Roswell, Young Harris, West Georgia, Reinhardt, Berry, and the Lake Point sports complex. Installation is 4 weeks after receipt of order and takes 1 day to install.

The installation will be coordinated through Brent Walker (Park's Director).

RECOMMENDED ACTION

The purpose of this item is for Mayor and Council action, to accept the donation.
