**To: Mayor and Council**

**From: Ginger LePage, Technology Director**

**Date: 1/24/2022**

**Subject: Request to sell surplus technology to the City of Doraville**

---

**Background:**

The City of Doraville is using extremely antiquated technology equipment and does not have the financial resources to update to a more current environment, at this time. The City of Dunwoody went through a complete update of all technology over the last year.

Dunwoody is in the process of surplus the unused equipment (list attached includes approximately 48 PD Laptops, 81 monitors, 71 desktops/laptops, and about 25 other technology items, the phone system will be inventoried, surplus and listed after Dunwoody upgrade is completed).

Normally, Dunwoody Technology Department process is to:

1. Collect all items ready for surplus
2. Remove the hard drives
3. Complete an inventory of all items no longer usable
4. Bring the surplus list to Council for approval
5. Schedule a surplus pickup 1-2 times per year, as needed, and the City pays for this service.

**Additional Information:**

When the Dunwoody City Clerk learned of Doraville's technological needs, she connected Doraville staff with the Dunwoody Technology Staff to see if Doraville needed anything Dunwoody had already surplus. It was discovered Doraville needed everything previously surplus, and everything awaiting surplus (everything already inventoried, everything in-process of inventory, and the phone system after the upgrade). Doraville is aware that all hard drives have been removed and there will still be a need to purchase new hard drives and Operating Systems for each device.

The Doraville City Manager wrote a letter requesting to purchase all Dunwoody's surplus equipment for \$1 (attached).

**Recommended Action:**

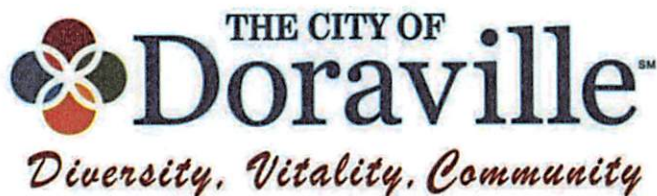

Recommendation is to approve surplus of items not already surplus then approve Doraville's request to purchase the listed Technology surplus for the price of \$1. This will help Dunwoody because there will not be a need to pay the surplus company to pick up the items. Additionally, it will be great to see the equipment go to a City that has a use for it and truly needs it.

CITY MANAGER  
Chris Eldridge

December 22, 2021

Jay Vinicki  
Assistant City Manager

Good day Mr. Vinicki,

The City of Doraville has learned that the City of Dunwoody has various IT equipment that has been declared surplus equipment.

It is my understanding that this equipment is of no value to the City of Dunwoody. I can assure you that the City of Doraville has a great need for this equipment.

I am requesting that the City of Doraville be allowed to purchase this IT equipment, for the sum of \$1.00.

Your consideration to our request will be greatly appreciated.

Respectfully,

A handwritten signature in black ink that reads "Chris Eldridge". The signature is written in a cursive style.

Chris Eldridge  
City Manager of Doraville
