

Vanderlyn Elementary School
HVAC, Ceiling & Lighting Replacement,
Roof Replacement and ADA Modifications
DCSS Project # 421-116
Request for Clarification (RFC) #1

Item	Question	Answer
RFC 1.1	The advertisement for bid notes that bidders are to obtain RFP documents for a non-refundable \$50 charge from your office. However, the RFP documents are also listed online. Please clarify if a bidding contractor has to purchase the \$50 documents or can we utilize the online documents.	All of the proposal documents may be obtained from the DCSS's website for this project. However, the bidding contractor may also purchase the same documents from the Sam Moss Services Center for a fee of \$50 should the bidding contractor choose to do so.
RFC 1.2	Substitution Request: Please review and accept The Johns Manville Modified Bitumen Roof System on behalf of Johns Manville Corporation.	This product and manufacturer is not an acceptable substitute.
RFC 1.3	Substitution Request: Please review and accept The Firestone Modified Bitumen Roof System on behalf of Larimer/Shannon Group, Inc.	This product and manufacturer is not an acceptable substitute.
