AYP Status

SCHOOL DID NOT MEET AYP

Summary

AYP under NCLB is more stringent than AYP under previous ESEA laws. AYP now requires schools to meet criteria in three areas: Test Participation (for both Mathematics and Reading/English Language Arts), Academic Performance (for both Mathematics and Reading/English Language Arts), and a Second Indicator.

This school met the AYP criteria for Test Participation.

This school met the AYP criteria for Second Indicator.

This school did not meet the AYP criteria for Academic Performance.

This school met the AYP criteria in 8 out of 10 categories.

Needs Improvement Status

Schools that do not meet AYP in the same subject for two or more consecutive years are placed in Needs Improvement status with escalating consequences for each successive year. Same subject is defined as two years of not making Reading/English Language Arts (participation or academic performance) or two years of not making Mathematics (participation or academic performance) or two years of not making Second Indicator.

School is in Needs Improvement Year One (NI-1) as of the July 2009 AYP release which impacts the 2009-2010 school year.

School must offer either Public School Choice or Supplemental Education Services (Tutoring). The school system will notify parents regarding which option will be offered.
