Re: Fiscal Year December 31, 2022 Budget Amendment

Date: August 22, 2022

Action

Approval of the Resolution to authorize the mayor, city manager, or designee to execute all documents necessary to Amend the Fiscal Year December 31, 2022 Budget.

Summary

Budget Adjustments to revenue for the General Fund are as follows (as shown in Exhibit A):

- 1) Increase of \$328,125 in the transfer in from the Hotel/Motel Fund due to higher than expected collections.
- 2) Increase of \$20,000 in the transfer in from the Motor Vehicle Excise Tax Fund due to higher than expected collections.
- 3) Increase of \$46,652 in Recreation Program Fees due to higher participation levels than budgeted.
- 4) Increase of \$450,000 in Building Structures and Equipment fees due to higher than budgeted permitting activity for the first half of FY2022.
- 5) Increase of \$59,619 in the transfer in from the CARES II Fund in order to fund additional headcount within Human Resources.

Budget Adjustments to expenditures for the General Fund are as follows (as shown in Exhibit A):

- A) \$46,000 increase in property/liability insurance due to increased coverage.
- B) \$8,000 increase in Travel within City Council.
- C) \$99,451 increase in Salaries and Benefits within City Clerk to convert the Deputy City Clerk and Records Clerk positions from contractor to City employees.
- D) \$67,093 increase in Salaries and Benefits within Finance to convert the Senior Accountant position from contractor to City employee.
- E) (\$137,662) decrease in Official/Admin Services due to the conversion of contract positions to City employees.
- F) \$45,000 increase in Legal due to the overlap of legal services for March, April, and May.
- G) \$67,800 increase in Salaries and Benefits within Information Technology to convert the IT Manager position from contractor to City employee.
- H) (\$65,000) decrease in Official/Admin Services due to the conversion of contract positions to City employees.
- I) \$59,619 increase in Salaries and Benefits within Human Resources in order to fund additional headcount.
- J) (\$55,557) decrease in Salaries and Benefits within the Police in order to better align the budget with actual benefit plan costs.
- K) \$117,500 increase in Professional Services for Police in order to fund the PD study.

- L) \$60,000 increase in Supplies-Firearms for the Police.
- M) \$65,000 increase in Professional Services within Public Works for the Street Grid in Dunwoody Village.
- N) \$34,652 increase in Professional Services within Parks & Recreation to fund the higher participation in the recreation programs.
- O) \$200,000 in Infrastructure within Parks & Recreation to fund Waterford Park improvements.
- P) \$292,500 increase in Official/Admin Services due to the increase in permitting activity. Our Municipal agreement requires the City to pay 65% of the revenues to our Collaborative partner.

Budget Adjustments for other funds are as follows (as shown in Exhibit A):

- Q) Budget Adjustments for the State Confiscated Fund were \$20,725, in order to align actual expenditures with budget for the current fiscal year.
- R) Due to the City collecting more Hotel/Motel funds than expected so far this fiscal year, revenue Budget Adjustments of \$875,000 are included within that fund as well. The difference will be distributed to the General Fund (\$328,125) and Discover Dunwoody (\$382,813), with a percentage staying within the Hotel/Motel Fund.
- S) Budget Adjustments for the Motor Vehicle Excise Tax Fund of \$20,000 are due to higher than expected collections.
- T) Due to strong sales tax collections, Budget Adjustments of \$700,000 to both revenue and expenditures for the SPLOST Fund are included.

Finally, in order to fund the increase in Workers Compensation due to the audit that was preformed, as well as fund the 4% increase for regular employees and 6% police salary increase for Police Officers, Detectives, Lieutenants, and Sergeants, identified savings due to vacancies were utilized in order to fund these items (as shown in Exhibit B).

The FY2022 Budget includes an estimated use of fund balance of approx. \$3.0M, which would leave approx. 8 months of fund balance at the end of the year. Originally, the increase in the millage rate was forecasted to generate about \$1.0M in additional FY2022 revenue, with some of that being dedicated to the pay raises at midyear. Since that was handled internally, when the millage rate increase is realized more of it can be dedicated to efforts such as decreasing the \$3.0M use of fund balance.
