Why are you interested in serving on a board / commission / committee?

I grew up in Dunwoody and recently moved back to the city a couple years ago. I believe it's important to volunteer and serve your community, and the Planning Commission is an important decision-making body that shapes the character and quality of life of the city. I have professional planning experience that I believe would be a valuable contribution to the Planning Commission.

What experience do you possess that would be of benefit to a board / commission / committee?

I am a city planner by profession. I have approximately 18 years of professional experience in transportation planning, comprehensive planning, zoning/land use, and development review. I am also a Dunwoody native, growing up in Dunwoody and returning recently with a family of my own. I understand the many perspectives of Dunwoody residents, from older residents that do not want the old Dunwoody to change too much; to younger people seeking more vibrancy; to families in the middle that want good quality of life amenities for their family. Having some experience in development

review, I understand tradeoffs, negotiations, and balance that must be made between the city's needs and the ability of a developer or business to achieve success in their venture.

*** Terms & Conditions**

I hereby attest that all statements and information provided in this application are true to the best of my knowledge. I understand that I may be interviewed prior to consideration for appointment.

I hereby agree that if appointed to serve as a member of a City of Dunwoody Board, Commission, or Committee, I will spend my time, skills, and energy on the goals and mission of the Board, Commission, or Committee including preparation for meetings. Furthermore I agree that, if appointed, my term will be governed by the By-laws of the Board, Commission, or Committee to which I am appointed.

I understand that if appointed, I will make an effort to attend all meetings and must attend at least two-thirds of the scheduled meetings in order to remain a member in good standing.
