## Citizens Advisory Capital Improvements Committee Final Report and Recommendations

May 8, 2023

# Overview

- The Citizen Capital Committee was an outgrowth of over a dozen public meetings concerning the capital needs of the City during Spring 2022.
- Each council member nominated one person that was on the final committee.
- The committee consisted of nine citizens chaired by a non-voting council member.

# Charge of Committee

- Ad Hoc Committee tasked with developing a priority list of capital projects to address the needs of the City of Dunwoody.
- What are the most IMPORTANT projects
- Primarily Focused on Parks, Transportation and Trails (but everything was on the table)
- Committee evaluated over 100 projects
- Committee did not consider
  - Cost or Funding
  - Maintenance Projects (i.e. street paving)

# Meeting Dates & Topics

- Sept 14 – Overview
- Sept 28 – Transportation
- Oct 12 – Parks
- Oct 26 – Paths and Trails
- Nov 9 – Final Evaluation/Recommendation for Parks and Transportation Projects\*
- April 27 – Final Evaluation/Recommendation for Trail Projects

*\*Presented at November 28, 2022 City Council Meeting*

# Trail Projects

- Committee evaluated:
  - Trail Segments from the PATH Foundation proposed (draft) Master Trail Plan
  - City of Dunwoody Trail List
  - Had the option to add trail projects not currently on any list
