**To:** Mayor and Council  
**From:** Paul Leonhardt, Deputy Community Development Director  
**Date:** September 26, 2023  
**Subject:** Text Amendment for Expansion of the Perimeter Center Entertainment District

---

### **ITEM DESCRIPTION**

This item is a request to expand the Perimeter Center Entertainment District by including the Park Place shopping center (4505 Ashford Dunwoody Road). Property owner Edens is presently preparing a renovation and update of the shopping center and wants to provide to-go drinks per entertainment district regulations. The proposed boundaries also include the adjacent Bank of America property (1 Perimeter Center East) owned by the same property owner and is a potential target for a later expansion of the shopping center.

### **DISCUSSION**

In 2020, the City created regulations for entertainment districts that have proven popular amongst restaurateurs and property owners. In 2022, four distinct Perimeter Center-area districts (Campus 244, Perimeter Mall, High Street, and Ashford Lane) were combined into the Perimeter Center Entertainment District to provide a large contiguous open container district.

Edens has recently submitted permits to start the renovation process for the Park Place center. The first phase includes renovation and redesign of the interior courtyard. To support the transformation, Edens wishes to provide tenants the option to sell alcoholic beverages in open containers. This would be accommodated by extending the boundaries of the Perimeter Center Entertainment District. This allow Park Place patrons to carry their open containers to destinations such as Ashford Lane or Perimeter Mall-area restaurants. No other changes to the entertainment district regulations are proposed.
