MEMORANDUM

To: Mayor and City Council

From: Michael Smith, Public Works Director

Date: April 28, 2025

Subject: **Contract Award to Hasbun Construction for the Eidson-Cherry Hill Connector Path and Stormwater Controls**

ACTION

Authorize the Mayor, City Manager, or designee to execute all documents necessary and proper for a construction contract with Hasbun Construction, LLC in the amount of **\$216,436**, plus a 10% construction contingency, to construct a 10-foot wide shared-use path between Eidson Road and Cherry Hill Lane.

SUMMARY

The bid results for [ITB 25-01](#) were presented at the April 14th City Council meeting. Staff recommended awarding a contract for \$216,436 to the lowest qualified bidder, Hasbun Construction, to construct a shared-use path and associated stormwater improvements. The City Council discussed reducing the 12-foot width of the path. Reducing the path to 10 feet would be consistent with the most recent public input from Cherry Hill residents while remaining consistent with the city's grant commitments to provide a shared-use path. The reduction to 10 feet would be a field change during construction and should result in a small cost decrease.

DETAILS

In 2023, the city received a \$100,000 grant from the State of Georgia's American Rescue Plan Act (ARPA) funding to design and build a shared-use path between Eidson Road and Cherry Hill Lane. The city recently advertised an invitation to bid (ITB 25-01) to construct the project and received five bids. Two of the bids were not considered because they did not meet the minimum bid requirements. The results of the bids received from qualified bidders are as follows:

Hasbun Construction LLC	\$216,436
SOL Construction LLC	\$222,790
Precision 2000	\$414,633.

Based on the bid submitted by Hasbun, the total construction cost including a 10% construction contingency, construction management and quality control testing, is expected to be \$255,000 or less. The recommended funding sources for the path construction are as follows:

Funding

Grant-American Rescue Plan Act (balance of existing funds) \$ 80,250

4800 Ashford Dunwoody Road
 Dunwoody, Georgia 30338
 dunwoodyga.gov | 678.382.6700

SPLOST Project SP1-1846 Georgetown Trail Surplus Funds	\$ 38,750
Stormwater Fund for stormwater related costs	<u>\$136,000</u>
Total Funding	\$255,000

The Eidson-Cherry Hill connector is designed as shared-use path in the existing city right of way between Eidson Road and Cherry Hill Lane. It is a short segment of the future Peeler Road Trail identified as E4 in the Dunwoody Trail Master plan adopted by the city in May 2023. The design consists of a concrete path and a series of stormwater pools with weirs to control the stormwater runoff that flows down Cherry Hill Lane and onto Eidson Drive. At the completion of construction 17 hard wood trees will be planted along the path.

RECOMMENDED ACTION

Authorize the Mayor, City Manager, or designee to execute all documents necessary and proper for a construction contract with Hasbun Construction, LLC in the amount of **\$216,436**, plus a 10% construction contingency, to construct a 10-foot wide path between Cherry Hill Lane and Eidson Road.

CERTIFICATE OF QUALIFICATION
Vendor ID: 17982

Hasbun Construction, LLC.
 410 N. Main Street
 Alpharetta, GA 30009

In accordance with The Rules and Regulations governing the Prequalification of Prospective Bidders, the Georgia Department of Transportation has assigned the following Rating. This Certificate of Qualification is effective on the date of issue stated above and cancels and supersedes all Certificates previously issued:

MAXIMUM CAPACITY RATING: \$13,500,000.00

CERTIFICATE EXPIRES: July 31, 2026

PRIMARY WORK CLASS/CODE: 441

SECONDARY WORK CLASS(ES)/CODE(S): 209, 310, and 500A

The total amount of incomplete work, regardless of its location and with whom it is contracted, whether in progress or awarded but not yet begun, shall not exceed the Maximum Capacity Rating. If dissatisfied with the Rating, we direct you to the Appeals Procedures in §672-5-.08 (1) & (2) and §672-1-.05, Rules of the State Department of Transportation.

A Prequalified Contractor may request an extension of its current prequalification prior to the expiration date of the prequalification by providing the Department with the following information: the amount of time requested for the extension (either 30, 60 or 90 days), the reason for the extension request and the original expiration date of the prequalification. The Department in its discretion will determine whether the extension should be granted and will notify the Contractor of its determination.

Allowing approved prequalification to lapse will leave the Contractors without the ability to bid work until such time as the standing returns to an approved status. If you desire to apply at some intermediate period before the expiration date, your Rating will be reviewed based on the new application.

This Prequalification Certificate is issued for contractors to be eligible for work with the Georgia Department of Transportation (GDOT) only. GDOT does not certify contractors as eligible to do business with entities other than GDOT. *Work class codes are for reference only and do not represent a certification to be provided in support of contractor ability or NAICS code determinations. NAICS Codes are assigned by the office of Equal Employment Opportunity.*

Sincerely,

A handwritten signature in blue ink, appearing to read "Patrick Allen", is written over a horizontal line.

Patrick Allen, P.E.
 Chairman, Prequalification Committee/Contractors

Solicitation No. ITB 25-01

CONTRACTOR AFFIDAVIT AND AGREEMENT

By executing this affidavit, the undersigned contractor verifies its compliance with O.C.G.A. 13-10-91, stating affirmatively that the individual, firm, or corporation which is contracting with the City of Dunwoody has registered with and is participating in a federal work authorization program* [any of the electronic verification of work authorization programs operated by the United States Department of Homeland Security or any equivalent federal work authorization program operated by the United States Department of Homeland Security to verify information of newly hired employees, pursuant to the Immigration Reform and Control Act of 1986 (IRCA), P.L. 99-603], in accordance with the applicability provisions and deadlines established in O.C.G.A 13-10-91.

The undersigned further agrees that, should it employ or contract with any subcontractor(s) in connection with the physical performance of services pursuant to this contract, contractor will secure from such subcontractor(s) similar verification of compliance with O.C.G.A 13-10-91 on the Subcontractor Affidavit provided in Rule 300-10-01-.08 or a substantially similar form. Contractor further agrees to maintain records of such compliance and provide a copy of each such verification to the City of Dunwoody at the time the subcontractor(s) is retained to perform such service.

Affidavit Verifying Status
For City Public Benefit Application

By executing this affidavit under oath, as an applicant for a City of Dunwoody, Georgia Business License or Occupation Tax Certificate, Alcohol License, Taxi Permit or other public benefit as referenced in O.C.G.A. Section 50-36-1, I am stating the following with respect to my application for a City of Dunwoody, Business License or Georgia Occupational Tax Certificate, Alcohol License, Taxi Permit or other public benefit (circle one) for JOSE HASBUN.
[Name of natural person applying on behalf of individual, business, corporation, partnership, or other private entity]

1) X I am a United States citizen

OR

2) _____ I am a legal permanent resident 18 years of age or older or I am an otherwise qualified alien or non-immigrant under the Federal Immigration and Nationality Act 18 years of age or older and lawfully present in the United States.*

In making the above representation under oath, I understand that any person who knowingly and willfully makes a false, fictitious, or fraudulent statement or representation in an affidavit shall be guilty of a violation of Code Section 16-10-20 of the Official Code of Georgia.

COMPANY NAME: HASBUN CONSTRUCTION, LLC

The Bid Items provided for in the Bid Schedule are intended to be the only pay items under which the Contractor will be compensated for work described above. The Contractor shall examine the requirements of the work and the pay items in the Bid Schedule and include in the unit prices submitted all labor, equipment, materials, appurtenances, overhead, profit, vehicles, and all other things incidental for the completion of the work as specified.

Work is to commence no later than 10 days after issuance of the Notice to Proceed. The City of Dunwoody requires pricing to remain firm for the duration of the contract. Failure to hold firm pricing for the term of the contract will be sufficient cause for the City to declare bid non-responsive.

Certification of Non-Collusion in Quote Preparation  03/20/2025
Signature Date

Termination for Cause: The City may terminate this agreement for cause upon ten days prior written notice to the contractor of the contractor's default in the performance of any term of this agreement. Such termination shall be without prejudice to any of the City's rights or remedies by law.

Termination for Convenience: The City may terminate this agreement for its convenience at any time upon 30 days written notice to the contractor. In the event of the City's termination of this agreement for convenience, the contractor will be paid for those services actually performed. Partially completed performance of the agreement will be compensated based upon a signed statement of completion to be submitted by the contractor, which shall itemize each element of performance.

Termination for fund appropriation: The City may unilaterally terminate this Agreement due to a lack of funding at any time by written notice to the Consultant. In the event of the City's termination of this Agreement for fund appropriation, the Consultant will be paid for those services actually performed. Partially completed performance of the Agreement will be compensated based upon a signed statement of completion to be submitted by the Service Provider which shall itemize each element of performance.

Acknowledgement is hereby made of the following Addendum(s) received since issuance of the Contract Documents (identified by number)
